Rental bonds online landlord registration form

Rental bonds online landlord/owner proof of identity and registration form.

This transaction was not completed due to a system issue. This transaction timed out because of a lack of input from one or more parties. I have submitted a digital form using RTA Web Services but I didn't receive a confirmation email from the RTA. What do I do? Please await confirmation that the bond has been lodged. The transaction was cancelled by a tenant who rejected the Terms of Use of Electronic Transactions. Contact the property manager for additional information. Do I need to complete every field to be able to submit a digital form in Web Services? As you fill out the Bond Lodgement Web Service, you will be given the option to select whether you want to lodge a new bond or a bond increase. After this time has elapsed you will be automatically logged out. If you pay by BPAY you will not receive a receipt at the time of payment. You can follow up the repayment status via 'Look up your bond' using your bond number and family name. The online Bond Lodgement Web Service can facilitate bond increases. This transaction has been cancelled by the RTBA as the bond is subject to an application to the Victoria Civil and Administrative Tribunal (VCAT). Please note, we can only store partially completed forms for seven days. The RTA only collects information we require to complete the relevant tenancy transaction. It can no longer be accessed. The Transaction number is no longer valid due to the transfer being completed. Can I use RTA Web Services for bulk bond lodgements and payments? Please await confirmation that the transaction has been completed. When using RTA Web Services, your information will be automatically saved as you progress through the digital form. If you do not receive a confirmation email from the RTA after submitting your digital form: phone the RTA on 1300 366 311 Monday - Friday, 9.30am - 5pm, (excluding public holidays) email helpdesk@ta.qld.gov.au.
